

# QUALIMS **Track**

Find all QUALIMS applications in an ergonomic interface, dedicated to the end user.

## REPORT

- **The stock manager** alone cannot supervise all supplies
- **The metrologist** alone cannot certify the accuracy of all measuring instruments
- **The maintainer** alone cannot guarantee the reliability of all the equipment
- **The Quality Manager**, on his own cannot lead the Quality Management System
- Traceability must not be time-consuming, and the process must be simple
- Thanks to :
  - A refined and studied ergonomics,
  - Essential functions,
  - Massive use of barcodes

**QUALIMS Track is your quality solution for optimal traceability**

Increase productivity with our multi-application interface.
